Prayer for Mothers on Mother's Day

Dear **Heavenly Father,**

Thank you for **godly mothers** who give and serve selflessly day after day. Please bless them for the important role they play in the lives of their children and family members.

Just as mothers daily extend grace and encouragement, Lord, return that grace and encouragement back to them multiplied. Help them to give wise counsel, discipline, instruction, and to **raise their children to know and love God.**

Thank you for the example mothers are to their children and to others. Bless them, their children, and their families abundantly, and meet their every need.

Please give these **women of God** health and strength to care for their loved ones. Fill their hearts with joy as they go about the mundane, day-to-day tasks. Carry their burdens, Lord. When they are weary, lift their spirits and restore their souls. Help them trust in you and lean on you alone for strength.

Let godly mothers recognize how important their lives are to their children and families. May they understand the vital role God has given them in their home and in the **Kingdom of God.** May they know how much they matter
